# FEATURE ARTICLE

## *And then it is Winter*

Contributed by Jim Smith, 33°

You know, time has a way of moving quickly and catching you unaware of the passing years.

It seems just yesterday that I was young, just married and embarking on my new life with my mate. And yet in a way, it seems like ages ago, and I wonder where all the years went.

I know that I lived them all.

And I have glimpses of how it was back then and of all my hopes and dreams. But, here it is, the winter of my life and it catches me by surprise. How did I get here so fast? Where did the years go and where did my youth go?

I remember well...seeing older people through the years and thinking that those older people were years away from me and that winter was so far off that I could not fathom it or imagine fully what it would be like.

But, here it is...my friends are retired and getting gray...they move slower and I see an older person now. Some are in better and some worse shape than me, but I see the great change. Not like the ones that I remember who were young and vibrant. But, like me, their age is beginning to show and we are now those older folks that we used to see and never thought we'd be.

Each day now, I find that just getting a shower is a real target for the day! And taking a nap is not a treat anymore...it's mandatory! Cause if I don't on my own free will, I will just fall asleep where I sit!

And so, now I enter into this new season of my life unprepared for all the aches and pains and the loss of strength and ability to go and do things that I wish I had done but never did!!

But at least I know that though the winter has come, I'm not sure how long it will last. And this I know..that when it's over...it's over. Yes, I have regrets. There are things I wish I hadn't done and things I should have done, but indeed, there are many things I'm happy to have done. It's all in a lifetime.

So, if you're not in your winter yet, let me remind you that it will be here faster than you think. So, whatever you would like to accomplish in your life please do it quickly! Don't put things off too long!!

Life goes by so quickly. So, do what you can today, as you can never be sure whether this is your winter or not!

You have no promise that you will see all the seasons of your life, so live for good today and say all the things that you want your loved ones to remember.

Life is a gift to you. The way you live your life is your gift to those who come after. Make it a fantastic one:

***LIVE IT WELL!!***

---- *ENJOY TODAY!!!!*

---- *DO SOMETHING FUN!!!*

---- *DO SOMETHING GOOD FOR OTHERS!!*

---- *BE HAPPY!!!*

---- *BE THANKFUL!!!!!!*

---- *BE GRATEFUL TO GOD!!!!!!*

---- *LOVE WITH ALL YOUR HEART AND SOUL.....*

## Just My Opinion ...

by D. J. Cox, 33°

Jim Smith 33° sent me an article containing some interesting perspectives some time back that I would like our readers to think about. It is the featured article in this month's newsletter. Some pretty "heady" stuff!

We are trying something new with this issue. We are highlighting several individuals from around the Consistory under the byline "**Meet your Brothers**". The intent is to get to know something about each other besides which lodge we belong to or just a masonic perspective. We want to get to know the person and their families.

Jim Smith reminds us our lives are more than degrees and ritual. Too often the human side of masonry is overlooked. Each of us has a story, a family and other interests besides masonry. To truly understand and appreciate each brother, we need to be aware of the whole, not just a part.

You will also find a list of the officer and committees in this issue. Too many members have asked me how things are done, and by whom, around the Consistory. I certainly don't have all the answers, but I'll bet that someone in the officers list or from within the committees can address the issue. Those individuals giving permission to print their email addresses beside their names are provided. If you can't make personal contact or are reticent for some reason, drop one of these brothers an email on your question or interest item. These are our leaders and should be aware of your likes, dislikes, questions, concerns and, most importantly, those items and interests which motivate you most strongly.

Our core membership is our greatest asset. We must nurture and grow their interests, address their concerns and encourage them to bring other worthy masons into our fold. Our future depends on it! But we must not take them or their families for granted. We must talk *and* listen to them. We must seek them out and encourage them.

We must find more ways to involve their families. More events like the Burns dinner have to be offered and expanded. See the KSA article later in this newsletter for information on this. We can always improve, but not without feedback from the members. Anyway, that's my opinion!

## Meet your Brothers

By Jack White, 32° KCCH

John Moreno, 33° joined Edgewater Lodge #159 in 1999

which merged with Liberty Lodge #134 where he became a Past Master. He has been a member of the Scottish Rite for 13 years.

John and his wife June have four (4) children (Anastasia, Desiree, Nikki, and Frank) and eight (8) Grandchildren.

John and June are partners in a Portrait and Event Photography Studio. Did you ever wonder about all the beautiful pictures along the hallway and in the newsletter? You can thank John for most, if not all, of them. WB John has been doing photography for over 38 years and, as you can tell, he is pretty good at it. Together, they do the photos for the Grand Lodge and most of the Masonic organizations here in central and northern Colorado.

John has a couple of hobbies when not living in his dark room. He likes to hike and dabble in politics. He recently ran for City Council and just lost by a nose. Next time, he should win in a landslide.

John's way of relaxing is to sit in a lounge and converse with his wife. During the summer, they spend their leisure time on their deck listening to music and playing scrabble. He also considers Masonic study relaxing as well.

John's goals for the future are to fully organize the Ambassador program and complete the Master Craftsman program. John also wants to put more time and effort into Art Photography (where will he find the time?)

Worshipful brother Jim Harris, 32° KCCH, is a Past Master of Englewood Lodge #166 and has been a member of the Scottish Rite since 2001. He and his wife Lynne have 2 boys, Michael and Stephen.

WB Jim has been a minister for 35 years and is currently serving Northglenn United Methodist Church as their Pastor. He plans on retiring in June of this year.

Jim started out his life working for the Santa Fe Railroad when he received his calling to the Ministry and has served several churches in Colorado and one church in Salt Lake City, Utah. He now serves on the Board of Directors for the United Methodist Foundation and is on the Board of Directors for a condo Complex in Winter Park, CO.

WB Jim is currently the Grand Chaplain for the Colorado A.F. & A.M Grand Lodge and has been since 2011. He has just been appointed as Prelate for the Scottish Rite.

Jim spends his idle time (does a minister ever have any idle time?) sitting by a Mountain Stream and meditating. That sounds like a joy that all of us would like. He also enjoys working in his yard as a way of relaxing as well.

Jim's future plans are to stay active in the Church and the Fraternity.

Brother Robert A. Salazar, 32°, is Junior Warden for Denver Lodge #5 and is currently the Venerable Master for the Knights of St. Andrew. He has been a member of the Scottish Rite since 2007. He is the Orator for the Colorado Council of Kadosh.

Bob is a Detective for the Denver Police Department and has been in Law Enforcement for 24 years. I am sure that we all feel better knowing that Bob is on the job.

His wife's name is Heather. Bob's way of enjoying life is traveling, classic cars, and riding his motorcycle. He enjoys spending time with Heather and his family.

Bob's goal is to live a long and happy life and continue to grow in Masonry.

# An Open Letter

by Steven Hubbard, 33°

Email: [slhub80241@comcast.net](mailto:slhub80241@comcast.net)

Phone: Home: 303-452-8792

Work: 303-255-0900

Denver Consistory:

I would like to thank you for the opportunity to serve as Director of Membership for the Denver Consistory. I hope that I can effectively serve in this position and meet the needs and expectations of our Consistory.

I am very apprehensive about accepting this position. Membership is an issue that has existed for years and will probably always exist. There are no quick fixes or easy answers to the issues faced by the Membership Committee and Denver Consistory. I am confident that if the Committee Members work together and keep an open mind when evaluating and finding opportunities for improvement, we can have successes. We will be looking to every member of Denver Consistory for help with the Membership Committee.

I would like our members and officers to view membership as an opportunity for improvement, not a problem. If membership had one answer, I am certain that we would have found it by now. If you ask thirty (30) people why they joined, you will likely get thirty (30) different answers. The membership problem has many equations and many variables; therefore there is no one right answer. We can monitor the progress of our improvement. Two of the simplest monitors of our success are number of petitions we receive for our reunions and the number of members attending activities.

I look forward to the challenges this position offers and I am confident that if we work together, we can show improvement. Our membership includes many qualified and intelligent people and with their help we can find opportunities to improve membership. If you have ideas or want to participate in improving our membership, please contact me. Thank you.

## More changes are coming

This is your publication.

Let us know what you want to see. We are flexible, but not clairvoyant.

## From the Secretary's Desk

by Claud E. Dutro, 33°, Secretary

### The January Stated

Meeting accomplished a lot of annual housekeeping with reports from each of the corporations and installation of the newly elected/appointed officers in each of the Scottish Rite bodies. The ladies and guests shared in all of this public information as we move into 2012. If you have any questions about the reports, phone the Secretary in the Consistory office at (303) 861-4261.

### The Grand Lodge Annual Communication was held at the Doubletree

Hotel in Denver on the last weekend in January. A recap of the year's activities and decisions concluded with installation of a new Grand Master and his line of officers. Our own SGIG, Stephen M. Munsinger, 33° Active, was the installing marshal, while Scottish Rite masons filled the rest of the installation

team. Our member Ed Zorn, 33°, was installing master who transferred leadership from our member John V. Egan, III, 33°, to Karl J. Hinkle, 33°, a member of Scottish Rite Freemasonry in Southern Colorado. A member of our class committee, Michael J. Scott, 32°, was honored as the 2011 Worshipful Master of the Year.

### Robert Burns Birthday Party celebration

on Saturday, January 28 at Denver Consistory was enjoyed by a large crowd. The Knights of St. Andrew, who organized and hosted the event are to be congratulated on its success. This was a great demonstration of what a group of dedicated members can accomplish when they are well organized and supported by its membership.

The Next Stated Meeting will be on February 20. Following the ever popular dinner of apricot chicken and banana cream pie, the ladies will have a separate meeting and the members will hear annual reports from the Almoner and from the Life Membership/Memorial Fund Trustee. We will also have a report on responses regarding the current financial situation.

Why is love between men (or brothers) so... *uncomfortable*?

As men (Men with a capital “M” of course!), we are tough, macho and independent. So, I find it strange that none of the three great Masonic encyclopedias (Coil’s, Mackey’s and Macoy’s) includes anything on this subject in their works. I guess it must not be important for us to learn about.

## Between the Columns

by Michael D. Moore, 32°

B & J at Williamsburg lodge.

Wrong!

Brotherly love is one of the three (3) great principles taught a newly-made Mason and is found along with relief and truth in this group. The “five points of fellowship” really expresses this, but we get so wrapped up in the deeper meanings associated with this symbol that we neglect to see what is clearly seen by others when they look at it - one brother expressing support and love to the other.

Luckily, George Oliver does mention brotherly love in his “*A Dictionary of Symbolic Masonry*” and compares it with God’s love in extent, broadness and good will. When you read between the lines in his definition, he says when a compass is used to circumscribe our passions and a square used to test them, love fills in the rest of the circle.

## Brotherly Love!

This is February, the month of love. Each of you husbands should give your wife a hug, tell them thanks for allowing you to do what you like to do (attend lodge and spend time away from her while doing something that improves you and the world) and show her love. This is natural and will also keep you out of trouble. There is another form of love that is not so easy to show – *brotherly love*.

Manly Hall may have it right when he wrote that:

*“He [man] is able to classify the entire procedure of life and postulate laws by which the universe is governed, but the riddle of love has proved more elusive than the riddle of life itself.”*

Love is hard for some men to show and communicate. Yet it is at the root of all of us knowing Deity and being able to express this Being’s principles. Love makes the lodge run well and helps us through this journey called life. It gives us the urge to do good works, help those around us, improve the world we live in and to give a hand to those who are want to ascend upward along with us.

William Hutchison wrote a nice chapter on this and the relationship between brotherly love and how we treat fellow men in his *The Spirit of Freemasonry*. If you are interested, check it out.

For the mystic, philosopher or the average Mason, when we think of all we do, love is central. Knowledge without love and its associated actions is just useless thoughts. Without it we are “like tinkling brass” (SVL). When we put it into action, it speaks louder than any word or volume we could write. Balance, the topic of the last column, includes this in all of its aspects. Harmony is one of the results.

Love really should not be “yucky” to us men, it should be a part of all we are. No wonder, our Blue Lodge ritual proclaims: *Let brotherly love prevail...*

## What’s happening with the Knights of Saint Andrew?

by Mark W. Ralston PVM  
Secretary/ Treasurer

Brothers,

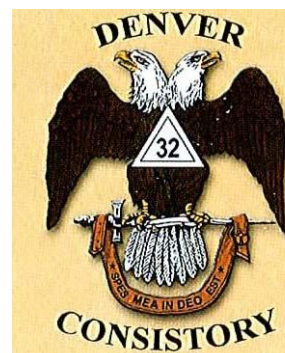

We just finished our second Robert Burns dinner at the Consistory last night, and *what a great time for all that participated!* We had brotherhood; we had great food; we had wonderful Scottish dancers; and, we had a Knighting with seven (7) new Knights.

I believe that this celebration of Robert Burns is the topping on the cake for the year of the Knights. We enjoyed our first picnic and our third dinner this year for fellowship. All our activities are family oriented so we encourage our members to bring their wives and children.

We made a donation to Rite Care Foundation of \$1000.00 dollars. In December, we passed the hat and collected \$176.00 for the Robert Russell Eastern Star Home; the Knights matched the donation for a total of \$352.00 to help purchase gifts for the Residents. I talked to Patty from RRESH at Grand Lodge and got a great big hug. She explained just how great it was to receive our donation. This is just some of what the Knights of Saint Andrew does.

We are a growing and big part of the Consistory. So, if you want to find out more, ask a Knight. We are the ones with the tartan sashes on at the stated meetings.

Our meeting nights are the first Monday of the month, excluding July and August. Come be a part of a great organization within your Consistory.

### Scottish Rite Creed

“Human progress is our cause, liberty of thought our supreme wish, freedom of conscience our mission, and the guarantee of equal rights to all people everywhere our ultimate goal.”

## "Around the Table"

by Wayne G. Arner 33°

"Around the Table," has learned of many changes in the lives of Denver Consistory members recently. Barry Watson 32°, has given up his post on the Tiler's committee and is moving to the western slope. As a result, the Tiler's committee has shrunk considerably from its former size and there are now opportunities for new members of the Consistory to assist the Tiler, Robert Sage 33°, before our stated meetings and reunions. We were sad to learn of the death of the wife of one of our brothers, Johnny Johnson 33°, who now lives in Charleston, S.C. He often vacationed in Denver, joining us at the luncheon table and regaling us with stories of the Scottish Rite Brothers down south! Our thoughts and prayers are with you Johnny at this difficult time. Our faithful Brother Jim Preston 33° has gone through another shoulder surgery, one of several over the last four years, but still is optimistic that he will be backstage pulling the ropes again soon!

There is a rumor that one of our Denver Consistory members caused a traffic accident in Spokane, Washington, (some years back), when he was riding around the city in a Rabbit suit in the back of a pick-up! Now, WHO could that be? What member of ours is so big, that he couldn't fit in the cab in his costume? Send your guess to the Costume Committee chairman, Dr. David Powell 33°, Denver Consistory Personal Representative for judging. Winner will receive a prize to be determined by the "dilligas" group.

Did you know that several prominent Race Car Drivers in Denver were members of the Scottish Rite? Lloyd C. Axel °, a 2-time Midget Racing Champion and crowd favorite at Lakeside Speedway, joined in 1946. Edgar "Eddie" Jackson °, a 5-time Midget and Stock Car Champion at Lakeside, joined in 1963, using the car he purchased from Axel to win his Midget Championships. Warren Hamilton 32°, who was both a driver and car owner, joined in 1953. Charles E. Wisherd Jr. 32°, was a championship late model car owner at Lakeside Speedway in 1954, joined in 1969. William "Billy" McKibben 32°, a prominent Stock Car Driver at Englewood speedway, joined in 1980. All of these men proudly represented Scottish Rite Masonry both on and off the Race

track and have never been recognized for their achievements before the members of the Consistory.

Perhaps you know of some Scottish Rite Mason at the Denver Consistory who should receive recognition for their achievements not known by the Consistory. Send them to me, by way of the Office Staff, and I will acknowledge them appropriately here.

Until then, I'll see you, "AROUND the TABLE."

## 9 Health Fair - 0700-1200 Saturday 14 April 2012

by Bill Hickey, 32° KCCH

We are closing in on the health fair at the consistory. I'd like to ask everyone who wants to volunteer to make their intentions known as soon as possible. We need to get an accurate head count and plan our activities accordingly. My assistant coordinators are prepped and ready. The 9HealthFair folks are set to open up the web-based signup on February 1st.

While we would PREFER you sign up for our fair on the 9HF site, you can also email or call the appropriate Consistory coordinator. However, simply walking up to us and saying you are a volunteer is less effective. In order to do our planning, we need to know your contact phone number and/or email address. In fact, we would also prefer to know what your qualifications are (e.g., if you are a medical qualified volunteer) or what your PREFERRED activity at the fair will be (for non-medical volunteers).

The reason we need you to sign up as soon as possible is that the 9HF web site is open to the public. We would PREFER to keep our volunteer base from our membership, if at all possible. But, we can't keep turning people down on the website in anticipation that we will have sufficient volunteers from within and around the Consistory.

So, please help us out sooner, rather than later, by expressing your intent and desire. And, if you are a "walk-in" volunteer AT the fair itself, we may or may not be in a position to use your talents effectively. We'll try, but just can't guarantee it.
