## MUSINGS

This month, close to 41 years to the day, I checked aboard my first overseas duty station - Naval Security Group Activity Edzell, Scotland. This would be a monumental event for me, as not only was my wife's maiden name "Campbell" - but I would later "find" Freemasonry and go through my degrees from EA to KT in literally one year. My tenure in Scotland was not without travail though, as on my first "vacation" in 3 years, my wife and I were in the Canary Islands in January when we received word that her sister and brother-in-law were killed by a drunk driver in an accident in Arkansas. That would cause us to cut short our vacation and return home on emergency leave for a month to deal with family situations for my wife. Shortly thereafter, my wife became pregnant with our first child - a daughter born on Valentine's Day 1979 - six months before I was transferred back to Washington DC (penance for my sins, obviously). My daughter was 6 months old when we returned. I would later have an opportunity to take her over to Scotland for about 2 weeks when she was 6 years old, but she has not been back since that time (32 years). This month, I will have the opportunity to return to Scotland with my Bonnie Wee Lassie - to scatter her mother's remains on a cairn that marked our first entry to Scotland all those years ago. When researching the various things we wanted to do on this trip, I discovered the restaurant where we celebrated her pregnancy is STILL OPEN all these years later—and is thriving business-wise. So, I will be taking the opportunity to take my daughter to that same restaurant while we are on our trip. I'm sure you'll understand if I don't get the September RiteWorks out "on schedule" as I won't be back until literally 31 August, and as you might also imagine, getting internet connectivity in the rugged highlands of Scotland won't be as reliable as what we're used to having here in the states.

And, now, a little of the "wisdom" of various friends and mentors of mine over my 40 years of being a Mason:

How many of you have ever heard something like this: "They didn't do things that way when I was in the East."?? Well, an old Past Grand Patron of the OES of New Jersey answered with: "You're right, and we used to go outside to go to the Bathroom. We don't do it that way any more either."

Change is the law of life. And those who look only to the past or present are certain to miss the future. - John F. Kennedy

It takes courage to be creative. Just as soon as you have a new idea, you are a minority of one. - E. Paul Torrance

How do YOU define a “leader?”

Henry Kissinger once said: A leader is an individual who created an alchemy of vision that moved people from where they were to places that they have never been before.

General Colin Powell simplified that a bit: A leader is someone you CHOOSE to follow to a place you will not go by yourself.

When the door of happiness closes, another opens, but often we look so long at the closed door that we just don't see the one which has been opened for us.

May you have enough happiness to make you sweet, enough trials to make you strong, enough sorrow to keep you human, enough hope to make you happy.

Happiness lies for those who cry, those who hurt, those who have searched, and those who have tried, for only they can appreciate the importance of people who have touched their lives.

## **HOW TO RUN 'EM OFF**

A Member's first night in the chair:

Tell him how he is holding the rod incorrectly.

Tell him how he is sitting with poor posture.

A Member presents ritual for the first time:

Correct him from the sidelines.

Tell him all the mistakes he made.

A member, begged to take an office:

Next meeting chew him out because he doesn't know his part.

Next meeting tell him he must attend a Lodge of Instruction.

A Newly Raised Brother:

Tell him he must now do the dishes after each meeting.

Tell him he must now take an office.

Brothers before a degree:

Warn them about the goat, knife, and anything else that is 'cute.'

Attend lodge only occasionally ... then:

Ask from the sidelines why Lodge didn't do so and so in the past.

Verbally correct ritual whenever possible.

Prompt loudly.

As a sideliner make loud comments, such as:

We used to do it perfectly.

Why doesn't anybody know their parts?

A **Rockin Good Time** was had by all at the **Annual Summer Dinner**. The entertainment provided by Elvis was outstanding, and the food was excellent. Those who wore costumes definitely added to the enjoyment. (For some of you, I'm sure it was not too difficult to find your 1950's-style clothes to wear.) Those who did not attend missed a really fun party. Congratulations to Brother Michael Zeff, 32°, KCCH (elect) and his committee for a job well done.

Our next dinner party at Denver Consistory will be the **OKTOBERFEST** presented in conjunction with El Jebel Shrine. Space is limited, so get your reservations in early. (See flyer at the back of this issue for details.)

## Scottish Rite Foundation of Colorado

by Vernon B. Ingraham, 33° GC  
Executive Secretary  
Scottish Rite Foundation of Colorado

### **Deborah Hayes, Ph.D. Retires** **“Well Done, Thou Good and Faithful Servant”**

The Scottish Rite Foundation of Colorado and the Scottish Rite Masons of Colorado bid a fond farewell to our dear friend and colleague of many years. On July 31, 2017, Dr. Deborah Hayes retired, completing 34 years of faithful service with Children’s Hospital Colorado and the Scottish Rite Foundation. The following are several of many notable highlights during her tenure with these organizations:

1. When Dr. Hayes came to Children’s in 1983, the only location serving children with speech-language disorders was at the hospital then near downtown Denver. Since then, RiteCare funded services have been provided through clinic facilities in 21 communities across the state.

These services are provided either by Children’s (now in six of its locations from Broomfield to Pueblo) or 10 other speech therapy or early childhood language and learning organizations. Dr. Hayes spearheaded each expansion initiative, identifying prospects, making recommendations, and implementing the partnership. The additional 10 RiteCare partners became affiliated with us between 1986 and 2015.

2. During Dr. Hayes’ 34-year tenure, 16,628 children in Colorado received RiteCare services. This represents 83% of the total number of 20,017 children served by Colorado Rite Care since 1953.

3. In 2012 Dr. Hayes initiated an internet-based telehealth program, Telepractice. This makes possible certain functions, such as speech therapy, to be provided through a video-conferencing mode for children and their families in Colorado who are distant from clinic facilities.

4. Dr. Hayes also made many notable advances in our RiteCare Program such as (1) the Treasure Chest Program in 2000 focused on early language development, (2) the Graduate Scholarship Program in 2003, and (3) most recently, the Community Benefit Grants Program in 2017.

In 2003, Deborah became the inaugural chair holder of the \$2 million Kelley Family/Schlessman Family Scottish Masons Chair in Childhood Language Disorders awarded to her and Children’s Hospital Colorado. This Chair was passed on to Deborah’s successor, Dr. Kristin Uhler, on August 1, 2017.

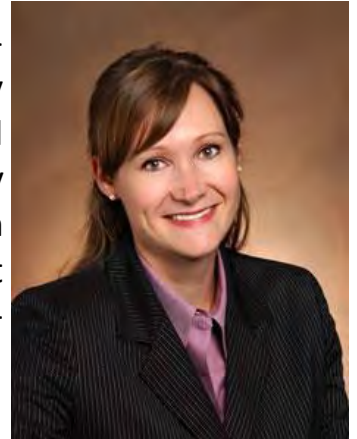

Not only are thousands of children and their families beneficiaries of her leadership and

Continued on next page

vision, but also we in the Scottish Rite are equally gratified and blessed not only to have worked with her, but also to have counted her as a true friend and colleague. We wish her and her husband, Jim, all the best in the years to come. As we say ritually, “Well done, thou good and faithful servant.”

**And now ... A Warm Welcome to Kristin M. Uhler, Ph.D.**  
Deborah Hayes’ Successor as the Kelley Family/Schlessman Family  
Scottish Rite Masons Chair in Childhood Language Disorders

Please join with us in welcoming Dr. Kristin Uhler to the RiteCare Program. On August 1, 2017, Dr. Uhler succeeded Dr. Hayes. We warmly welcome Kristin as the Chair of Audiology, Speech Pathology, and Learning Services at Children’s Hospital Colorado and concomitantly the Kelley Family/Schlessman Family Scottish Rite Masons Chair in Childhood Language Disorders. You will have an opportunity to meet her at the September 18<sup>th</sup> annual Scholarship Awards Program at Denver Consistory.

Dr. Uhler is a native of Sterling, Colorado, and received her B.A. Degree in Communication Disorders and Speech Sciences from the University of Northern Colorado. Her M.A. Degree in Audiology was earned from the University of Colorado - Boulder. In 2008, she received her Ph.D. in Audiology from CU-Boulder.

Dr. Uhler joined the faculty at the University of Colorado School of Medicine in 2009 and has been affiliated with Children’s Hospital Colorado since 2015. She has practiced as an audiologist since 2000 with an emphasis in clinical practice, research, and teaching.

Deborah Hayes and Kristin have been associated over the past two years with respect to faculty research projects and clinical audiology services at Children’s. Kristin recently told the Foundation’s Board of Trustees:

*“I have been impressed by the legacy of the Scottish Rite’s extensive programs made possible through the generous and enduring support of Scottish Rite Masons in the state. My respect and admiration for your work is boundless. Honoring the rich history and leadership of the Scottish Rite Foundation of Colorado will be my priority in the years ahead.”*

We look forward to working with Kristen in the coming years, promoting the mission of the Scottish Rite foundation and ever-striving towards our vision of giving every child in Colorado with speech and language disorders the opportunity to receive treatment and care.

Welcome aboard, Kristin!

# FUN FACTS ABOUT AUGUST

August is named for Rome's first emperor, Augustus Caesar - heir to Julius Caesar. Before that, it was called Sextilis (sixth month) in the old Roman ten-month calendar, as it was the sixth month.

The Anglo-Saxons called August "Weodmonath" meaning "weed month."

August 3<sup>rd</sup> is Watermelon Day

August 13<sup>th</sup> is Vinyl Record Day. Listen to some good music.

August 13<sup>th</sup> is National Lefthander's Day

August 15<sup>th</sup> is Lemon Meringue Pie Day

August 21<sup>st</sup> will be a TOTAL ECLIPSE of the Sun

August 30<sup>th</sup> is National Toasted Marshmallow Day

July 23 - August 22

The moon's full shadow hasn't crossed over any U.S. soil since 1991 (in Hawaii), nor across any part of the contiguous 48 states since 1979. Moreover, a total solar eclipse hasn't run coast-to-coast since 1918. Racing eastward at roughly 1 mile every 2 seconds, the lunar shadow cuts through central Idaho, Wyoming, Nebraska, and Missouri. Totality lasts longest just south of Carbondale, IL. The swath of darkness continues across Tennessee and South Carolina, exiting northeast of Charleston, SC.

# THE PRELATE'S PULPIT

Rev. Jim Harris, 33°

I hope you are enjoying these days of summer, they are fleeting by very quickly. This summer I have gone to Alaska with a church conference. Our conference paid for most of my expenses. I chair History and Archives for the Rocky Mountain Conference of the United Methodist Church and with members from conferences, we met in Alaska for a five-day meeting. We got to see some of the beauty and wonder of Alaska. It reminded me of Colorado many years ago. We heard speeches and attended workshops on the importance of history which laid the foundation of our church. I worshipped in a Russian Orthodox Church in which I stood for the whole service. They believe you worship the Almighty standing up. The priest told us that the people stand up for worship as they are able because they believe you should stand to worship God.

As Grand Chaplain, I have enjoyed learning the history of many of the lodges in Colorado. Our Denver Consistory has a rich history. In 1909, the lots were purchased at East 14th Avenue and Grant Street. When the membership was over 3,000, they authorized the construction of our present historic building, which was dedicated on May 14, 1925. This is a date we should certainly celebrate. Senator Henry Moore Teller was crowned the first SGIG in Colorado on October 18, 1882. On October 22, 1919, the Rocky Mountain Consistory was chartered. They met at 1770 Sherman Street for 73 years until they merged with the Colorado Consistory to form what we now know as the Denver Consistory in September 1992.

The present building contains a 500-seat auditorium and a 250 seat dining room. The Denver Consistory is proud to be a part of the downtown community, hosting many events such as the Channel 9 Health Fairs. Our Cathedral Room is the regular meeting room and our main gathering area for reunions, funerals, and so on. It is a special place and I consider it a sacred space as well. I have prayed in there many times, other than at our meeting times.

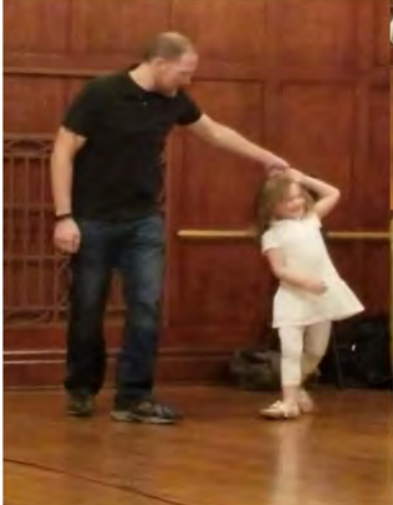

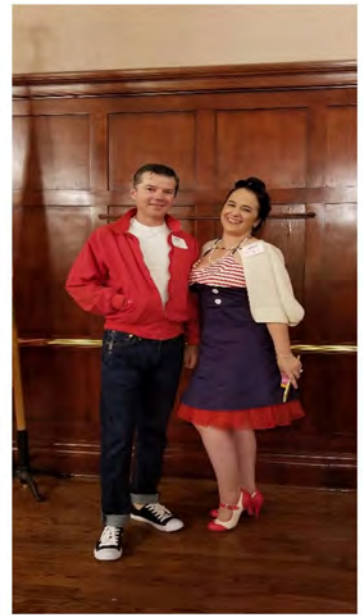

I also have a sacred place in the mountains to which I go for prayer. We all should have that special place for prayer, silent reflection, and to be alone with the GAOTU.

Have a great summer and remember to be positive, upbeat, and a light for those around you.

Peace.

The **Rockies Experience** is purely a labor of love. As a volunteer working a Rockies Game you are not paid in dollars. Your wages are the satisfaction you get, knowing that you have benefited your Scottish Rite Brothers by helping to fund the general upkeep and maintenance of our building. For every game worked, the consistory earns \$70 per person/game. In 2016, there were 55 games worked (at \$65.00/game). This year, our volunteers have already worked 40 games, with the opportunity to easily surpass last year's number. There are a total of 31 more games to be played at home this year, we can beat last year's number.

This year it is possible for **6 volunteers** to sign-up and work every scheduled home game. Click on the link provided below to sign-up for the games you can work. **If you need help with this process, call Tom Lincoln @ 303-968-7731.**
