## **OBVIOUS TO THE CASUAL OBSERVER**

In Tulsa Public school (Will Rogers High School) in the 1960's, one of my math teachers was Mr. Gus Klentos. He would always demonstrate a math proof, and get to a certain point (before actually finishing it) and say "The rest is left as an exercise for the student" or "It should be obvious to the casual observer."

Have you noticed this issue of RiteWorks is more "RiteWorks-Lite?" That's because of a lack of input from you - after all this is YOUR newsletter, not mine. I'm just the "caretaker" for you. It's not my job to prod and poke you to remind you that you are supposed to submit something or even encourage you to come up with something of interest "out of cycle." You all know what interests you and your Brethren. I never did well at "creative writing" which is why I'm more of an "tekkie enabler" than a "creator" of exposition papers.

Before COVID, we never even considered a virtual component of our Masonic meetings. COVID strikes, and suddenly we start holding ZOOM sessions—so many, in fact, that a lot of us simply got "zoomed out" going from one session to the next. BUT, in the process of holding ZOOM sessions when we couldn't meet in person, we found that a significant number of our MIA (Missing In Action) brothers suddenly showed up. WHY? Because, they didn't have to drive a long distance (some were out of the area) to get to a meeting; some couldn't drive safely at night any more; and some simply didn't want to get out into rush hour traffic in the metro area to get to a meeting that really didn't have any unique activity planned for that evening. (That's a problem for another discussion some day.)

Now that COVID is on the wane (but not gone yet), and we're starting back to in-person meetings, many lodges are retaining those ZOOM components in order to maintain contact with their lost Brothers. But, some bodies have reverted completely to the "in person" mode because ZOOM is hard and a pain to execute so we are now seeing the exclusion of those very same brothers that came back when the opportunity presented itself to support the Lodge.

Isn't it a shame that we collectively appear to be rather fickle when it comes to solutions to re-engage our lost Brothers? Think about it next time you get "zoomed out."

FYI, Brother Michael Poll out of Louisiana gave a talk (via ZOOM) last night and the topic was the Scottish Rite CRAFT Degrees and their history and lies and misrepresentations about them on the internet (that they are "clandestine degrees"). Very interesting. But, you probably missed the talk because you were busy with "other things" than ZOOM.

## Estate Planning Seminar

Wayne G. Arner, 33°

Have you thought about what impact your individual membership has made so far at the Denver Consistory, or what a difference it could make in the future years to come? Are you concerned about the future of the Denver Consistory Cathedral Building at 14<sup>th</sup> and Grant Street, next to the Colorado State Capitol building and near Downtown Denver? Have you pondered what you can do about perpetuating it? We all know of the demise of other Masonic facilities in the Denver Metropolitan area, and don't want apathy to take away what our Brothers built in 1925 and which has continued to this day.

For these reasons, the Endowment Fund Committee of the Scottish Rite Masonic Center, will present an **ESTATE PLANNING SEMINAR on Saturday, October 8<sup>th</sup>, 2022**, to help you understand and learn more about charitable giving in today's turbulent financial times. This will be presented by our Estate Planning Expert, **Mr. L. William Schmidt**, (Fellow of the American College of Trust and Estate Council). There will be a light lunch served before the presentation, so a **reservation is required**. Please call the Consistory and secure a reservation for you and any family member concerned with your finances and estate planning.

**FALL REUNION** - It may seem like it's too early to mention the Fall Reunion which will be held November 17, 18, and 19. But, preparations are well underway even now. Degree Directors are setting rehearsal dates and contacting cast members, and the office is working on the first draft of the Reunion Program. **We need you to do YOUR part to facilitate the Fall Reunion. We need candidates!** Get those petitions turned into the office, don't wait until November.

**FRIENDS OF THE SCOTTISH RITE (PROSPECT NIGHT)** -The Fall Reunion "Friends of the Scottish Rite—Prospect Night" will be September 14<sup>th</sup> at 6:30 p.m. Invite your Blue Lodge members to attend. (See Flyer in this issue)

**FRIDAY LUNCHESES** - 11:30 a.m. to 12:30 p.m. continue during the summer. Come and enjoy lunch with your brothers. Bring your family and friends with you. The billiards room is open for your use so you can play a game or two prior to lunch.

**ANNUAL SUMMER DINNER** - The Annual Summer Dinner was July 30<sup>th</sup>. The theme this year was *Old Colorado, the Early Years, Myth & Legend*. A southwest fiesta-style buffet was enjoyed, and Sarsaparilla shots were available for a \$.50 donation to the Scottish Rite Foundation. We had several partyers dress up in old west costumes. **Illustrious Brother Jerry Lau, 33°**, gave a very interesting talk about the Masonic bottles he has collected, and displayed several of the bottles from his collection. Thank you to **Brother Michael Rudloff, 32° KCCH**, Preceptor of the Colorado Council of Kadosh of Denver Consistory, who organized the event.

**SECOND ANNUAL SCOTTISH RITE GOLF CLASSIC AUGUST 19<sup>th</sup> has been cancelled.** Circumstances beyond our control has necessitated the cancellation of the 2022 golf tournament. **The Tournament will return August 18, 2023.**

**ROCKIES EXPERIENCE VOLUNTEERS** - Thank you to **Brother Jim Villhauer, 32°**, a member of the Spring Reunion class, and **Brother Spencer Brent, 32°**, a member of the Fall 2021 Reunion class who have joined **Brother Dick Williams, 32°**, working Colorado Rockies games, selling merchandise, and earning money for the Scottish Rite Masonic Center. The Rockies pay the SRMC \$130 per person for each game worked on behalf of the SRMC.

**2022 MEMBERSHIP FEE WAS PAYABLE JANUARY 1, 2022.** We currently have 85 members who have not yet paid their 2022 membership fee. Please do your part to help sustain the operation of Denver Consistory by paying your membership fee. If you are experiencing financial difficulty and are unable to pay your membership fee, PLEASE CONTACT ME. We have programs available to assist you so that you are not suspended for nonpayment, BUT YOU MUST CONTACT ME. We can't help you if you don't ask.

**2023 MEMBERSHIP FEE INCREASE** - The Denver Consistory membership fee will be \$130 effective January 1, 2023. Denver Consistory is not immune to the effects of inflation and the increased cost of doing business, which has necessitated the membership fee increase. The Supreme Council will mail the 2023 membership fee notices in August of 2022. **Please pay your membership fee when you receive the notice, and not lay it aside and forget about it and then become delinquent.**

### Life Membership Fee:

75 years old and older – a single payment of \$1,000

62-74 years old – a single payment of \$1,500

Younger than 62 – a single payment of \$2,500

Extended payment terms may be arranged. Contact the office for details.

**Life Memberships** are an ideal way to avoid paying future membership fee increases. A Life Membership guarantees that you will never be suspended for nonpayment should your future financial situation change. It also ensures that should you no longer be able to take care of your finances you will not be suspended for nonpayment because your Scottish Rite Membership is of no significance to the individual handling your finances. By purchasing a Life Membership you leave a continuing legacy to Denver Consistory after your death.

**Monthly membership fee payment is available** - Are you tired of paying fees at the end of the year to all the Masonic bodies to which you belong? You may pay your annual Denver Consistory membership fee in eleven easy monthly payments rather than one lump sum, eliminating one more year-end bill to pay. By authorizing an automatic credit card payment each month, at the end of eleven months your membership fee for the ensuing year will be paid. Contact the office to set up a payment plan.

### AUTOMATIC MEMBERSHIP FEE RENEWAL PROGRAM

Supreme Council created and installed an auto-renewal program to pay membership fees. This is a COMPLETELY VOLUNTARY program that gives members the OPTION to have their membership fees automatically deducted using a credit or debit card through the online Membership Portal.

# The Prelate's Pulpit

Rev. James H. Harris, 33°

Prelate for All Scottish Rite Bodies

My Brothers, summer is fleeting by us, and soon we will return to all the meetings, etc. that are on our calendars. However, in these days of summer, let us enjoy the time we have with family and friends or to just relax. At the Scottish Rite Masonic Center we will gather for our summer dinner. This has been held in various places, but this year it will be in the coolness at the Consistory. In August, the officers will gather for their annual planning meeting. Then in September, it is “off to the races” so to speak. My wife and I enjoyed the pancake breakfast at Nevadaville Lodge recently. It was great to see the families enjoying the food and the fellowship.

The Scottish Rite Creed says that “Human progress is our cause, liberty of thought and our supreme wish, freedom of conscience our mission, and the guarantee of equal rights to all people everywhere our ultimate goal.” These words are in line with the words in our Declaration of Independence which was signed on July 4, 1776.

Time is always fleeting and I often struggle to make good use of my time. The three-legged stool is a good way to think about dividing my time into three parts. Freemasonry is like a three-legged stool in the three attributes which define us and which are the basis of Masonry. They are Brotherly Love, Relief, and Charity. Brotherly Love is that attribute that unites all men. It is the glue that holds us together into one sacred band of friends and brothers. It is the fellowship which keeps us coming back to lodge to be with brethren with whom we share a common experience. We cannot stand alone.

Relief is the attribute of charity to those in need. It is the duty incumbent upon us as men and Masons to be compassionate and soothe the afflictions of those less fortunate. Without contemplation and intellectual pursuits, charity, and fraternalism, we cannot stand together.

Truth, within the context of Freemasonry, is the attribute of self-discovery. It is the casting off of that which diminishes us and our endeavors to improve ourselves through contemplation and intellectual pursuits. It is the study of the symbolism and history of Freemasonry and the application of moral truths.

These three all go together. They all are needed for the lodge to function. Three is an important number: The three degrees of Masonry; the three great lights; the three lesser lights; the three knocks; the three steps to the Master's station; the three Wise Men; the three gifts; the Trinity - Father, Son, and Holy Spirit; the three Gospels.

I try to give balance to my life. There is time for sleep, time for my spiritual life, and time for other things. Somehow 24 hours can be divided into three eight-hour periods. How do YOU divide your day? Have a great summer.

— Ill Br. Rev. James H. Harris, 33°

## HOLLYWOOD: Birdbrains in Tinseltown

It cost Hollywood \$100 million to make the movie *Titanic*. It cost the ship builders \$3 million to BUILD the Titanic.

Director Alfred Hitchcock's granddaughter asked for his help writing a school paper analyzing one of his films, *Shadow of a Doubt*. When the girl turned in the paper, they got a C.

In 1988, religious protestors were offended by the film, *The Last Temptation of Christ*. To picket the studio that produced the film, the protestors drove out to Universal Studios, which made \$4,500 off them in parking charges.

### MORE CRAZY THINGS FROM "Well Duh"

Think people give their kids crazy names today? In the sixteenth century, English Puritans named their children such instructive names as Love-God Smith, Live-Well Johnson, Faint-Not-Jones, Accepted Morgan, and Fight-the-Good-Fight Wellington.

When Charles II was King of England, he realized there was one greater protection against usurpation than bodyguards—his brother James. James was so unpopular that Charles told him, "No one is going to assassinate me in order to make you king."

Before North Carolina became the "progressive, liberal" state it is today, public libraries required parental permission before children could check out such risqué reading material as the Bible.

"Men are born ignorant, not stupid," philosopher Bertrand Russel once said. "They are made stupid by education."
